# Just One Customer

Who Was Secured By the Use of Tee-Dee Wants Paid the Whole Advertising Bill : : : : : :

Mr. Charles W. Vaughan, the popular dealer in stoves and hardware, at 602 East Broad, is a constant and consistent user of Tee-Dee Wants, and, according to his own words, he has found them profitable. He says that he knows of no better investment, and he mentions one case where a customer, secured by the use of Tee-Dee Wants, paid his whole cost of advertising for a year. Here is his letter:

Here is his letter: "Times-Dispatch,-After a thorough trial of Tee-Dee Wants, it affords me pleasure to tell you that I know of no better way of investing a small amount of money than by putting it in Tee-Dee Wants. Considering the small cost invested each day, the returns are simply marvelous and far beyond expectation. Just one customer, whom I secured last year by a Tee-Dee Want, more than paid for all the Tee-Dee Ads. which I used during the year. Those who use the Tee-Dee Wants to advertise cutprices would do well to have a full stock, or they are liable to disappoint many of their customers, as I did on one occasion . by finding the sale much heavier than I anticipated.

My stove business has been enormous this season, due mainly, I think, to the use of Tee-Dee Wants. Day after day have we kept the stove which we handle constantly before the public with a result that is most gratifying.

Yours truly, CHARLES W. VAUGHAN.
